

INSTITUTO EDUCACIONAL JUAN XXIII

Additional Guide UNIT 4 3rd Grade A - B- C- D

Good morning my Thinkers,

Hope you are doing great at home, with your family and staying active!

Buenos días mis Pensadores,

Espero se encuentren bien en casita, con sus familias y sobre manteniéndose activos!

For today's activity, we are going to practice some of the Comparative Adjectives we have been working. Para la actividad del día de hoy, vamos a practicar un poco con los adjetivos comparativos que hemos estado trabajando.

1. You have to match with a line the adjective with the correct form of the Comparative Adjective.

Deberán unir con una línea los adjetivos con los adjetivos comparativos que correspondan:

Ex: *small-smaller*

| | |
|--------------|------------------|
| Difficult | Older |
| Long | Hotter |
| Hot | More difficult |
| Interesting | Longer |
| Old | Smaller |
| Small | More interesting |

2. With an "X" choose the correct Comparative Adjective of the sentence.
Marca con una "X" el adjetivo comparativo correspondiente en la oración:

a. That Apple tree is _____ than lemon tree.

- a. Tall
- b. Taller
- c. Tallest

b. The sun is _____ than yesterday.

- a. brighter
- b. brightest
- c. bright

c. This experiment is _____ than the one we did last time.

- a. interesting
- b. most interesting
- c. more interesting

d. The flower in the park is _____ than this one.

- d. prettiest
- e. pretty
- f. prettier

3. Unscramble the following words with the vocabulary we have been working during Unit 4.

Ordena las siguientes palabras del vocabulario con el que hemos trabajado durante la Unidad 4.

a. t-a-l-p-n-e _____

b. w-f-l-e-o-r _____

c. l-c-u-d-o _____

d. f-i-l-e _____

e. r-u-f-i-s-t _____

4. Write the comparative adjective in the sentences.

Escribe el adjetivo comparativo correspondiente en la oración:

a. The sun is _____ than the Earth.
(hot)

b. The mangoes are _____ than lemons.
(big)

c. The sunflower is _____ than other flowers.
(beautiful)

d. Today is a _____ day than yesterday.
(bright)

e. Coconut palm is _____ than tomato tree.
(pretty)
